The Ka'bah	Hajj	Mecca	Hajj
The Ka'bah is the most scared building to Muslims. Consider an object that is scared to you and write a few sentences why. Why is the Ka'bah special to Muslims? What object(s) are special to you?	Hajj is the journey of a lifetime for Muslims. Think about where you would like to travel to for a journey of a lifetime and explain why by writing a few sentences. Why is Hajj such a special journey for Muslims? If you could go on a special journey, where would you go and why?	Watch the video and think about the things that need to be packed for a journey to Mecca. Think about the things you would like to pack for a special trip. Create a Google Slides presentation with a few sentences about the importance of each item. What do Muslims making the trip to Mecca need to take with them? Why are these items important? What items would you take on a special trip and why?	Using the link, read about the different elements of the Hajj. Choose one element to focus on in more detail. Present the information you have found using Google Slides. What are the different elements of Hajj that Muslims must complete? Which element would you like to focus on? Why?
