

Road Safety

Stop! Look! Listen! Think! Before crossing the road. Walk safely with an adult and listen to instructions at all times. If you're on your own-be safe. Never walk while on your phone and remain vigilant of your surroundings.

Inform parents and carers to slow down around our schools (20mph in Hackney)

Choose safety over convenience (Cross at crossings and when the green man say it's safe to do so) For more information visit:

Keep Yourself Safe!

We
Believe in
Keeping
You **Safe**

It is very important to keep yourself safe wherever you are. It does not matter whether you are online, at school or outside.
Stay Safe!

Anti-Bullying

Definition:

Bullying is when someone is unkind to another person over and over again. This makes the bully feel powerful and the person being bullied feel sad and lonely.

Prevent:

- Always share any problems with someone. (See how we share our problems page)
- Always be a friend to yourself. Look after yourself by playing safely with your friends.
- Always treat everyone how you want to be treated.
- Always help some that needs it, even if they are not your friend.
- Always say yes, if someone wants to play with you.
- Always respect everyone.

If it happens:

Tell an adult at school or at home.

E-Safety

- Always tell an adult when you are messaging online.
- Never share details about yourself with people you do not know e.g your full name, which school you go to or where you live.
- Never make friends with someone online that you have never met before.
- Never open an account with any social media unless you are the legal age.
- Always tell an adult if you see something online that upsets you.

If it happens:

1. Do not reply.
2. Do not send it to anyone.
3. Bring in a screenshot or print the nasty message
4. Show an adult.
