

## End of Year Arrangements

Dear Parents and Carers,

It has been wonderful to have the school building once again filled with the sounds of children learning and working together with the partial return of Nursery, Reception, Year 1, and 6 and some pupils from other year groups.

Unfortunately, it will not be possible to have the whole school back together this academic year but we look forward to September when we will be able to do so again. At this time, the Government guidance is that all children will be required to return to school in September and more information will be shared once Government guidelines have been set.

Our end of year arrangements will look different this year because of the continued partial closure. Sadly, the children will not get to meet their new teacher before the term closes, as this would not be possible to undertake safely. We are very keen however, that children have the opportunity to say goodbye to their teacher, pick up their workbooks from this academic year and that you receive the letter notifying you of the allocated class name and teacher for the new academic year. In order to manage this safely, each class has been allocated a day, time and place for this to take place. Please do be mindful that social distancing will be in place and while we will do our best, there may be short wait times.

The school term finishes on the 17<sup>th</sup> July 2020 and children return to school on the 7<sup>th</sup> September 2020 at 8.55am.

I would like to take this opportunity to thank you for your on-going support during a very challenging time for the whole community. We look forward to welcoming you all back on the 7<sup>th</sup> September 2020.

Kind regards,

Ms Rachel Adams
