

April Updated Food services and other resources available in each borough during COVID-19

Hackney:

Hackneys government website has the latest information about coronavirus and its impact on various **services**.

Please see the following links:

- <https://hackney.gov.uk/coronavirus-support>
- <https://madeinhackney.org/services/covid-support-services>
- <https://hackney.gov.uk/find-support-services>

Emergency Food Parcel Provision:

Hackney Foodbank is open.

'We are still supporting people with emergency food at Hackney Foodbank and will do for as long as is possible. Service will continue at our established centres for the time being. However, in light of the coronavirus, and to minimise risk, both to our volunteers and to clients, we have temporarily changed to an "at-the-door" service.

To help make this new approach run as smoothly as possible, we ask clients to:

- *queue up outside of the premises instead of coming inside*
- *keep a distance of 2 metres between each other*
- *respect the numbering system*
- *leave promptly once the food parcels have been handed over*

At present the parcels are pre-packed vegetarian parcels and there will be no opportunity to request exchanges.

To get a voucher you can contact them directly to get advice:
