All pupils are encouraged to take an active and creative part in lessons through: memory games, songs, pair, group and team work. The children develop language skills by discussing similarities and differences, and making links with other languages they already know.

Why not encourage your child to teach you some of the words, phrases and songs he or she already knows?

Year 556

### Year 6:

Our focus this half term will be food and drink. We will learn to give our opinions about food items and also learn how to create and order from Spanish menus.

Our aim is to be able to place foods in different categories, translate sentences and use our dictionaries to find new words.

This half term our theme is the "in the town". We will use strategies to speak and write sentences using a model. We will share this work with our partner school and create resources for future use.

Re-viewing previous knowledge will help our Spanish.

¿Qué vamos a aprender?

(What are we going to learn?)

Year 3

At **Key Stage 1** pupils will be responding to the language and speaking with support. In **Key Stage 2** pupils will also be taking part in questions and answers, role-playing, reading and writing words in Spanish.

Early Years

### Reception:

We will be learning how to ask for permission to do something and increasing our knowledge of numbers (7 – 12). We will start to learn how to name some classroom equipment and ask for items politely.

We will learn classroom objects and how to say if we have or do not have an object and their colours. We will learn about masculine and feminine nouns and compare word order in English and Spanish.

Year1g 2

This half term we will practise role-plays and add new vocabulary when asking for permission.

We will also learn how to name pets in Spanish and will extend our sentences using colours.

# Language Ambassadors' trip

This term Year 6 Language Ambassadors will continue the work they began with El Catón School in Year 5. In February, they will be visiting our Spanish partners in Madrid. We will be doing joint work in both languages (Spanish, English) and ICT. Each Ambassador will document their work to show their classes.

# ¡Carnavales!

Spring is carnival time in Spain and Spanish speaking countries around the world. It is a time to celebrate and let your hair down before the serious period of Lent which comes before Easter.

In the carnival people wear fantastic costumes and masks. Spain is famous for the biggest carnivals in Europe!
