

Date: 7.5.21

Action Plan

Eco-Schools Topic:
Waste (Recycling specific)

Aim:
To reduce the amount of waste produced by the whole school through proper and consistent recycling.

Action(s):

- Eco Warriors to be responsible for class reminders
- Recycling posters to be put up in class
- Black bin bags to be replaced by clear recycling bags in line with Borough of Hackney recycling
- Pen recycling bins on each floor
- Eco Lead to remind teachers weekly about proper recycling.

How long will it take?

- Ongoing throughout the year

Who is responsible?

- Class Eco Warriors
- Eco Warriors lead
- Whole school (responsibility for proper recycling)

How we will monitor progress:

- Routine meetings between Eco Warriors and Eco leader

Evaluation:

Eco-Schools Topic:
Energy

Aim:
To improve whole-school habits around energy use

Action(s):

- Eco Warriors to be responsible for class reminders
- Briefing reminders to adults about turning off screens at the end of the day
- Posters in classrooms with reminders about turning off lights, screens and monitors

How long will it take?

- Ongoing throughout the year

Who is responsible?
