

# Hoxton Garden Primary School

Thursday 6<sup>th</sup> January 2022

Dear Parent / Carer,

Happy New Year!

I am pleased to inform you that the building repair work at Hoxton Garden Primary School continues to progress well. The aim of this work is to carry out essential repairs to the outside of the building. Unfortunately, due to unexpected additional works, the deadline for this has been extended to the end of February.

The entrance at the back of the school continues to be out of use, including the bike shed. In addition, the **nursery entrance** and playground will not be accessible for approximately two weeks starting from the **10<sup>th</sup> January 2022**. During this period, the drop off and pick up location for Daisy class will be outside the school office. Alternative outside provision for this class has been arranged.

We look forward to updating you with the progress of the works during the course of the term and any further changes to the access of the building as they occur.

If you have any queries regarding the building work, please do not hesitate to contact the school.

Thank you for your continued support.

Ms Rachel Adams
