

## Hoxton Garden: Eco Schools Subject Improvement Plan 2021-22

### Review of Previous Year's Impact

#### Key Action Points

- Apply for the Green Flag Award to become an official Eco School
- Raise the profile of Eco Schools and environmentally-friendly attitudes around the school

#### Key Strengths

- Recycling bins are provided in each classroom
- There is a school garden growing a large variety of both edible and non-edible plants, which contains a large compost and also attracts some wildlife
- Bike and scooter racks are available at all entrances to encourage eco-friendly transport methods

#### Areas of Development

- Ensure all classroom are recycling properly, especially paper
- Ensure adequate recycling bins are provided in staff communal spaces such as the kitchen and reprographics room
- Reduce waste further by introducing a compost in the school kitchen, and a food scraps bin in the lunch hall
- Ensure teachers and other adults are working together to reduce energy usage by turning off lights, computers and screens when not in use

### Eco Schools Improvement Plan

#### Quality of Education

- To develop the roles of eco warriors
- To embed the ethos of eco schools across the curriculum
- To organise enrichment opportunities that link to eco schools

#### The Quality of Early Years Education

- To make eco links with relevant topics in Early Years
- Ensure there are books linked to topics
- Assemblies for EYFS with Eco team members leading

#### Leadership and Management

- To ensure Eco Warriors are aware of their new roles and are actively taking on their responsibilities within the classroom and wider school
