## Dear Parents and Carers,

This is the last newsletter of the academic year and we would like to take this opportunity to thank all parents, carers and pupils for their continued hard work and dedication across the past school year. Thank you to everyone who came to celebrate children's successes at the parent consultation evening and celebration assemblies over the past two weeks.

It is the time of year again where we wish farewell to our year six pupils. They have been a credit to the school and have risen to the challenges presented this year with resilience and determination. The recent results for tests taken at the end of year 6 show the high percentage of children that achieved the expected standard in reading, writing and mathematics were significantly above the national average. This is an amazing achievement and we are very proud of our children and staff who worked so hard to prove what they know. We are equally proud that all three schools in our partnership achieved similarly great results. We wish all pupils a fond farewell and a successful transition to secondary school.

On Tuesday children met their new teachers for September. You will have a chance to meet with your child's new class teacher and learn more about their Autumn term curriculum at our meet the teacher sessions in September (dates on the back). A full staffing structure will be shared in the first newsletter of the Autumn Term.

We will be setting tasks to support children's learning during the long summer break so that children come back as ready as possible for a new academic year. Please support us by making sure that, as well as getting out and about and enjoying themselves, children also read regularly, learn their times tables and complete the homework projects as this will help make the Autumn Term successful!

When buying uniform for the new academic year please make sure that you buy the correct style and colour of school trouser and a school jersey or cardigan which has our logo along with smart black school shoes (not trainers or boots).

Thank you for your continued support this year. We wish you a happy and healthy summer break.

## ATTENDANCE CHALLENGE

We have been running our Attendance Challenge for the last 3 weeks. This week, we drew the lucky winner! A huge congratulations to Madina in year 2 for winning our challenge. She will be enjoying an exciting trip to Legoland over the holiday with her family. We look forward to more attendance challenges!

## MUSIC FESTIVAL

What an amazing opportunity to celebrate the musical talents of the children through our annual Federation Music Festival. Well done to all the children who took part—we are very proud!

## Y4 AT HACKNEY EMPIRE

Year 4 visited Hackney Empire where they were able to watch The Apollo Orchestra perform a symphony (Symphony No. 5 Beethoven). They were introduced to the various families of the orchestra,

whilst enjoying the beautiful architecture within the Hackney Empire. This was such an amazing opportunity!

Would you like to borrow a laptop for your child to learn at home?

Please speak to the office staff who will be able to assist

Our experience with online learning has shown that a number of families would benefit from short term access to IT equipment. We want to help learners who plan to engage in learning at home but don't have suitable IT equipment in order to do so. We are able to provide a small number of laptops that can be loaned out to families. Please ask in the school office!

## ATTENDANCE

Coming to school everyday makes a real difference!  
Whole school attendance for last week was 92.9%

**Well done to Foxglove Class**
