Dear Parents and Carers,

Thank you for coming to meet with your child's class teacher last week. It is so important that children get to share their learning with you. If you were unable to attend and have not managed to meet the class teacher since then, please contact the school office so that they can make a new appointment for you. We hope also that the termly report which was sent home was helpful in knowing how best to support your child at home. Don't forget that we run a number of themed drop-in sessions for parents to support knowledge of learning in school. Events planned for the Spring Term can be found at the back of this newsletter.

Thank you to all parents who attended end of term events including the Winter Fayre and Sing Alongs. Our three-school choir has performed at various events including a Hackney wide celebration at the Town Hall. We are very proud of the commitment to music in our school and the many talented musicians we have. A huge thank you to our music teachers, Ms Isik and Ms Eskulics for their preparation and hard work. Instrumental lessons start again in the Spring Term and if you would like your child to gain from the many benefits of learning a musical instrument, please ask at our reception desk for an application form. Some lessons have a waiting list but learning an instrument not only brings a lot of pleasure, but it also helps develop concentration, listening skills, patience, social skills and memory. We subsidise all lessons with an even cheaper rate for those eligible for Pupil Premium Funding and loan instruments to allow practise at home.

Children will be starting new topics in the Spring Term and we have sent home homework packs and activities to help preparation. We have seen some fantastic research and creative homework projects made in previous holidays and hope that some time can be made during this holiday also. Events in the Spring Term include our Work and Enterprise week and Safer Internet Day, as well as lots of planting and sowing in our school garden, lots to look forward to!

With the cost of living continuing to rise, these are extremely difficult and uncertain times for everyone. Trying to get the correct information about which support and services are available to you and what you can access or are entitled to is not always straightforward; this can make the process very confusing. Please visit our website which holds information about local services and support available.

Thank you for your support this term, we wish you a happy and safe holiday and look forward to seeing you in the new year. Children return to school for the Spring Term on Wednesday 4th January 2023 at 8.55am.

Christmas Jumper Day

On Friday the 9th of December, we had our Christmas Jumper Day and a lovely Christmas lunch to celebrate the festive season. The children in EYFS really did enjoy coming together to pull some Christmas crackers with their peers, and to enjoy a wonderful Christmas themed lunch.

'Huggy Bears'

This week, Year 1 have been learning about kindness and unkindness. By utilising their active listening skills, they have been able to consider how others feel when belonging to a group. The children enjoyed role playing 'Huggy Bears' to understand positive peer relationships.

Flax Gardening Workshop

Year 5 took part in their second gardening workshop where they learnt about flax and how it is used to create twine. First they had to break down the flax stem to soften it, then they used scutching to remove the outer layer of the flax, they then brushed the fibre and spun the material to produce a twine.

Youth Cycling League

Years 5 and 6 partook in Young Hackney's Primary School Cycling League. Our children used drive and persistence to compete a hilly cycling course against other Hackney schools. We had some finishers in 3rd, 6th and 7th place amongst other children their age.

Year Six Sing-a-long

Year 6 were in fine voice on Monday, kick starting the Christmas season at Hoxton Garden. Parents who attended the annual Sing-a-long were tapping their feet and joined in with well known tunes. The children also recited the poem, 'The twelve days of Christmas'.

Attendance

As a school we take punctuality very seriously and we are proud that our children are at school and in their class lines at 8.55am. This means children have a settled and uninterrupted transition into the school, and teachers are able to ensure the day starts promptly. Thank you for your continued support!

Whole school attendance for last week was 91.1%.

Well done to Year 5 Orchid class, the weekly winners with 99%.
