HIGHLIGHTS

23rd February 2024

Dear Parents and Carers,

We hope you had a restful half term break and are ready for the second half of the Spring Term. Whilst reading, writing and counting will always be a central part of what we teach, we are also keen that our pupils receive a wide and rich curriculum which inspires learning in other areas and teaches life skills too. We have a busy half term coming up with a number of events planned including a cross-site timestable competition and Design and Technology Day. Last year we were successful in securing funding which means a group of KS2 pupils will be undertaking a visit to Tenerife in April. Children will have the opportunity to visit our partner school and practise their Spanish learning. If you are not yet following our social media accounts on Facebook and Twitter, you can use the link in the newsletter to find us and see the broad range of learning experiences undertaken as part of our curriculum and enrichment offer.

Thank you to all the parents who completed our school survey last term. We had 190 responses from parents of children in all year groups. We are very pleased that 100% of parents strongly agree or agree that the school provides a good education for their child, that they are happy with the progress that their child is making and that their child feels that their teachers work hard and teach well. We will use your feedback to continue to make sure we are providing the highest quality education and care. As part of this, we are keen that all children understand how to be healthy. All classes receive lessons about the importance of a healthy lifestyle including the dangers of drugs and alcohol as well as the importance of exercise and healthy eating. Our school kitchen has a salad bar which is available for all children taking a school dinner to choose some vegetables or freshly made salad to go with their meal and we encourage them to take this option. All children under the Mayor's funding commitment receive free school meals from Reception to Year 6 and the school provide free school meals for full time Nursery children also.

If you have moved or changed your telephone number recently please make sure you have let the school office know. It is essential that we can contact you quickly in case of an emergency, and also have a second number to call if we cannot get hold of you. The number and email for our office is on the back of this newsletter.

Reminders

Punctuality

Please make sure children arrive in good time to line up in the playground with their class. School starts at 8.55am and every minute counts.

Book Bags

Remember book bags need to be brought to school every day. This teaches both responsibility and independence.

Enterprising Skills in EYFS

For enterprise week, Bluebell Class have been making scented playdough. We made posters to show how much they cost and stickers to make our pots of playdough attractive for everyone at Hoxton Garden to buy!

Budding Gymnasts

We have lots of budding gymnasts in Year 1! We have had lots of fun practising balance by walking along the bench, ensuring we are standing up straight, shoulders back, chin parallel to the ground and eyes forward. After we became successful balancers, we practised jumping and rolling.

Firefighter Visit

For Work Week, a firefighter parent visited Year 3. He shared stories of helping others and keeping neighbourhoods safe from fires. The children learned about fire safety and how everyone can contribute to their community's well-being. It was a lesson in courage, kindness and staying safe together.

Reading Champions

Hackney reading champions had their first meeting of the new year at Hackney Town Hall. They shared ideas from schools across the borough and made book recommendations. Hoxton's reading champions are looking forward to implementing some of the ideas next term.

Dr Bike

Our mechanics oversaw a Dr Bike check at each of the Viridis Schools, checking over 50 bikes in all. All pupils, parents and staff are welcome to bring their bike in for a check up. The next Dr Bike session is scheduled for Monday 29th April.

Friday 1st March 2024	Physical Education: How do we develop children's physical development in school?
Friday 8th March 2024	Belonging: How do children learn about bias and equality over their time in primary school?
Friday 15th March 2024	Easter Holiday Activities: What activities can we try in the holidays and what local places can we visit?
Friday 22nd March 2024	Celebration Reading Assembly
Date	EYFS Workshop
Thursday 7th March 2024	Physical Development: How can I support my child's fine and gross motor skills?

Attendance

The whole school attendance for the last week was 95.4%

Well done to Year 1 Lupin class, last week's winners with 98.8% attendance.

Attending school every day makes a real difference.

Please remember that WE DO NOT AUTHORISE HOLIDAYS IN TERM TIME and unauthorised absences may result in a fixed penalty notice being issued.

Term End and Start

The second half of the spring term ends at 2.00pm on Thursday 28th March 2024, and the Summer Term starts at 8:55am on Monday 15th April 2024. All holidays must be booked out of school term time to avoid penalty fines.
