

Eco Warrior Minutes

Date: 07/02/2024

Year 1 Sofia Savannah	Year 5 Bushra Nawal Orchid: Esmā Sajida	Year 6 Sukhmani Elly Thistle: Nahid Aleena	Adults Mrs Fahmida Muqtadir

Agenda Items:

Item	Discussion	Action
<i>Growing seeds</i> <i>(healthy living)</i>	We explored the process of seed germination, nurturing young plants, and the broader implications for environmental conservation and food security. The discussion highlighted the importance of incorporating seed growth initiatives into our sustainability efforts.	The Eco Warriors to plant some seeds in Spring 2
<i>Terracycle boxes – are they being used effectively?</i>	Sukhmani – to check the whiteboard pens are being put in the box when they have been used completely.	All eco warriors to check if pens ran out before going in the Teracycle box. Feedback in Spring 2
<i>Water management</i>	-Strategies for reducing water consumption in households, in our school, and growing activities through the adoption of water-efficient technologies and practices.	Conduct a water audit to identify opportunities for reducing water waste and improving efficiency in our operations. Spring 2
<i>Litter picking – is the time being used effectively?</i>	Nawal– where to find the litter picker. Elly–make sure everyone in school keep our playground tidy.	Speak to classmates about keeping our playground tidy. FM to speak to HS to add to school council minutes
Next Meeting: Spring 2 Focus: Water leakage
