HIGHLIGHTS

19th April 2024

Dear Parents and Carers,

We hope that you had a safe and happy Easter Break. The Summer Term is very busy again this year with celebration assemblies, Year 6 leavers assemblies, secondary school transition days, instrumental concerts, Families Week and Keeping Healthy Week. We look forward to sharing the news with you through this newsletter. We also update our website regularly with news and dates as well as post to our social media channels.

This week classes across the school have celebrated the holiday homework projects which have been completed in preparation for new learning this half term. As part of our teaching pedagogy we regularly revisit prior learning in order to help children make connections and to know more and remember more over time, this includes reviewing the research children have done outside of school as well as revisiting learning covered in previous school years. Thank you for the time and support given to your child in undertaking the homework set!

Pupil voice is a key feature of our school and, as you have seen from previous newsletters, we think it is very important that children are given a platform to know how to raise their issues and to have a say in how key aspects of our curriculum and enrichment plans are developed. Our pupil teams continue to meet across our three school sites (and three Hackney post codes) including our School Councillors, Peer Mediators and Eco Team, working together on shared agendas. Our recent cross site timestable event was supported by our school councils who were keen to raise the profile of competition and our Eco Teams have been discussing and comparing evidence to support our Green Flag reaccreditation through key work on litter, water and healthy living.

As a school, we are very committed to ensuring that children are in school and receiving their full entitlement to education. We are also very committed to working with families to remove any potential barriers to children being in school. We want to say a big thank you to each family who are supporting our drive of taking attendance to 97% and above and supporting in decreasing our persistent absence figure by ensuring children attend school every day on time.

Thank you for your ongoing support.

Reminders

School Shoes

Smart black shoes for school please.

Lost Property & School Uniform

If you have misplaced a jumper, lunchbox or other item, please call into the school office who will show you to the lost property cupboard.

Mosque Visit

Reception enjoyed their visit to the local mosque where they learned all about what Muslims do inside their place of worship. They then created geometric artwork inspired by the architecture and interiors of the mosque.

Moth Conservation

As part of their research on moths for their literacy report, Year 2 had the opportunity to work with the Big City Butterfly and Moth Conservation team. They planted moth friendly flowers and plants in the school garden to help attract more moths and butterflies to our playground.

Investigating Shadows

Year 6 have been building on prior knowledge to investigate the factors affecting the size and length of a shadow. In their evaluations, they were able to identify the limitations of the investigation and think about what they would do if they were to carry out the investigation again.

Times Tables Competition

Children from across the Federation attended the grand final of the Viridis Times Tables Competition held at Southwold School. Hoxton Garden were the Federation winners who took home trophies for gold, silver and bronze. Congratulations to all of our finalists!

Cycling In The City

Hoxton Garden's cycling team participated in a ride out to The City. With guidance from our experienced cycling coaches, they navigated through back streets and cycling lanes to explore London.
