## Dear Parents and Carers,

Children are now settled back into school routines and curriculum learning. Alongside the curriculum entitlement, children have lots of opportunity to enrich their school experience including half termly trips linked to learning and whole school enrichment events. This week we welcomed significant males into school to learn alongside children. A big thank you to those who came along! There are also special days for significant female family members and grandparents later in the year as well as our International Evening in October to look forward to.

Across the Federation we have a core set of values with a focus value explored in assemblies and through our PSHE curriculum each half term. We are currently exploring the value of equality. Equality has to do with sameness, just like in mathematics. An equal sign tells us that both sides of the equation are exactly the same. We explicitly teach children about equality to support children to understand that we should treat all people equally. We support children to understand that we are all different, and we are all equally valuable in the world. It is through promoting equality and diversity and recognising and respecting differences that we can all live in an society.

Physical activity in school is very important and we aim to provide a range of opportunities for structured physical games at playtime, and a range of physical activity curriculum clubs after school in addition to designated weekly PE lessons. PE days were shared on the curriculum newsletters sent out last week. Please take note in particular of PE days. We have a PE kit that we expect children to wear which will need to be brought into school on these days. One of the reasons that children are asked to change into their PE kit at school is for hygiene purposes. For example, the children learn that when they exercise, they sweat, and it is good practice to not wear exercise clothes all day. Changing for PE in school also allows younger children to develop their independence and learn how to dress themselves including putting jumpers on, managing buttons, putting shoes on, and tying up laces.

Hackney have launched a language of the month focus to recognise and celebrate the home, heritage and community languages, in addition to English, which are spoken by Hackney pupils. In our primary schools there are 160 different languages spoken and in our secondary schools 144 languages! The language of the month for September is Turkish. Did you know there are 2199 Turkish speakers in Hackney? Look out for our posters which have key phrases you can learn together.

Thank you for your support.

## Reminders

### Bikes and Scooters

Please store bikes and scooters in the designated areas safely and securely.

### School Shoes

Smart black shoes for school please. children to be on time in order that learning time is not lost.

## Mr Panda

This week, Reception have been reading a book called 'Please Mr Panda' which has taught them to say "please" and "thank you". They enjoyed role playing and exploring the natural world around them. They even put their mud kitchen to use by making delicious doughnuts together for Mr Panda to share with his friends!

## Sequencing Stories

This week in Literacy, Year 1 have been reading the story 'Owl Babies'. They studied the story in depth so they were able to retell the story to their peers. They even practised using their memory by splitting the story up and putting it back together in a sequence!

## Into University

Year 6 have visited UCL as part of their week long enrichment programme. They had a tour of the campus and undertook a range of learning tasks. The week finished in a celebration ceremony, complete with hats and gowns!

## Bring A Significant Male

This week, pupils across the federation enjoyed celebrating Significant Male Day. They welcomed important male figures in for the morning. They engaged in a variety of activities with the children, such as snakes and ladders and discussed the importance of positive male role models. Thank you to all that came!

## Bike Bus

Pupils were excited to get back on their bikes this academic year! They rode to school together in a fun and safe group. Pupils without bikes at home are able to access them through the bike loan library so they can practise and improve their cycling skills in their own time. Please enquire about the loan service at the school office.
