Agenda Items:

Item	Discussion	Action
Feedback from Safer Internet Day workshops and Discovery workshops	<ul style="list-style-type: none"> We learned about all of the ways that people may try to trick you online They may want money or access to your details They pretend to be children so that you trust them We enjoyed the assembly about trusting AI The workshops taught us more about our learning in class The green screen and acting was fun 	
Collate and discuss the minutes form school council e-safety session	<p>Why might someone pretend to be someone else online? How can we recognise a scam online?</p> <ul style="list-style-type: none"> Hack accounts – as a revenge tactic To steal your personal information-identity/money/scams/ To hide their identity if they are being bullied <p>What can you do to keep yourself/personal information safe?</p> <ul style="list-style-type: none"> To only speak to people, you know in real-life Tell a trusted adult if you are worried/block them/mute them Make all your accounts private 	

	<ul style="list-style-type: none"> • Do not give out your personal details: address, passwords Do you think the p n p box is useful? • It lets your teacher know and they can help with online issues • If it is someone from school, they can help sort it out • It is good if you feel like someone is being unkind online • It is a good discussion point 	
Strategies to encourage/remind Digital Leaders to share e-safety messages in class	<ul style="list-style-type: none"> • Put them on the landing slide • On display • Laminate them • On the timetable • Next to /on teacher's desk 	
<p style="text-align: center;">Next Meeting: Focus: Preparation for cross site meeting</p>
