HIGHLIGHTS

26th September 2025

Dear Parents and Carers,

Children are now settled into the routine of the new term. Our website is updated regularly with key diary events including coffee mornings, class assemblies and trips, news, and community information. Term dates can be found on the back of the fortnightly newsletter to help you plan ahead for holidays. If you have suggestions or comments, our school office has a parent comment box that can be used to share your thoughts.

This week we welcomed significant males into school to learn alongside children. A big thank you to those who came along! There are also special days for significant female family members and grandparents later in the year as well as our International Evening in October to look forward to. During their time with us, children will learn about a range of local and global historical events, as well as about different cultures and religions. We aim to provide children with lots of meaningful, creative, and inspiring educational opportunities, which, with your support, will ensure they become enthusiastic lifelong learners.

Physical activity in school is very important and we aim to provide a range of opportunities for structured physical games at playtime, and a range of physical activity curriculum clubs after school in addition to designated weekly PE lessons. PE days were shared on the curriculum newsletters sent out last week. Please take note in particular of PE days. We have a PE kit that we expect children to wear which will need to be brought into school on these days. One of the reasons that children are asked to change into their PE kit at school is for hygiene purposes. For example, the children learn that when they exercise, they sweat, and it is good practice to not wear exercise clothes all day. Changing for PE in school also allows younger children to develop their independence and learn how to dress themselves. For example, putting jumpers on, managing buttons, putting shoes on, and tying up laces.

Our curriculum is further enriched with a range of opportunities for children beyond classroom learning including clubs for all ages, chess in Year 3, cricket in Year 4, a residential visit in Year 5, and university visits in Year 6. As well as this, children across Key Stage 2 take cycling lessons and all children participate in gardening workshops with our resident gardener Cassie. Follow us on our social media sites to keep up to date!

Thank you for your ongoing support.

Reminders

Packed Lunches

We are committed to healthy lunches.

If your child does bring a packed lunch, this must contain healthy options. Please do not include chocolate bars, crisps or biscuits.

Lost Property & School Uniform

If you have misplaced a jumper, lunchbox or other item, please call into the school office who will show you to the lost property cupboard.

Listening Walk

This week, children in EYFS became explorers when they went on an exciting listening walk this week! They heard birds tweeting, the wind blowing, and even cars zooming past. The children loved using their "super listening ears" to discover all the sounds around them!

Exploring Senses

As part of the Science topic, children in Year 1 enjoyed exploring all of their senses this week! They had a taste test where they explored different flavours such as salty, bitter and sweet. They definitely enjoyed some smells and flavours more than others!

Charcoal

This week Year 3 have dived into the world of lines and shapes through the medium of charcoal. This links to their Stone Age topic where they have been learning about cave paintings and how they used to burn wood at a high temperature to make charcoal.

Pupil Voice Fair

Our Pupil Voice Fayre was a huge success. Children had the opportunity to visit each stall and learned about the different leadership roles within our school, from Eco Warriors to Peer Mediators and more! These roles give children a chance to make a positive impact in the school community!

Significant Male Day

This week, we celebrated the important male figures in our children's lives with Significant Male Day! It was wonderful to welcome dads, grandads, uncles, brothers and family friends into our setting. Together they enjoyed a fun filled morning of activities, laughter and shared experiences with the children!
